To whom it may concern:

Mr. Henry Steeneck is under my medical care and supervision for an Arachnoid Cyst. During this week Mr. Henry Steeneck will need to be available to have his pre-op testing done before his surgery on November 30, 2007 at Hudson Valley Hospital Center. He will also need to meet with Dr. Rosner on November 29, 2007 to review exactly what is involved in doing the surgery.

If you have any further questions please feel free to call. Thankyou.

Sincerely,

Saran Rosner, M.D.
